The Muzrai Commissioner in Mysore,

To

J. B. Mallaradhya, Esq., M.A.,
Deputy Secretary to the Government
of Mysore, Bangalore.

Muzrai 141-43-1.

SIR,

Gri Sringeri Mutt's lands - grant of land in S. No. 329, of
Andavalli Village, Sorab Taluk, belonging to the Mutt, to
one Mr. Parameswara Ganesh Joshi, for establishing a Guru
kula Pathasala - approval sought for.

I have the honor to forward, herewith, the marginally noted letters,

Letter No. S2-C.4730-65/42 d. 30th June 1943 together with the connected
from the Deputy Commissioner, Kadur ed
District. records received on the

7/11/43 No. M4-C.50-6/43-14 d. 7th October 1943 above subject (for reference and file)
from the Deputy Commissioner, Shimoga es. and Ganesh Joshi,
District.

resident of Thugulavalli Mutt, of Siddapur Taluk, submitted a petition
to this office, praying for grant of 300 acres of land in S. No. 329, of
Andavalli Taluk village, in Sorab Taluk, endowed to Sri Sringeri Mutt, for
the construction and maintenance of a Gurukula Pathasala. The Officer
in-Charge of the Mutt and its properties, from whom a report was called
for through the Deputy Commissioner, Kadur District, reported that His
Holiness, to whom the matter had been represented, considered that the
applicant's object was noble and deserves encouragement, and that the
grant of the land applied for would bring a large extent of lands in the
village, which were lying fallow for a long time, under cultivation, be-
sides augmenting the receipts of the mutt under Ahadayan in lands. Agree-
ing with the Officer in-Charge, the Deputy Commissioner recommended the
grant of the land on assessment, to the applicant.

2 The lands applied for being situated in Shimoga District, the
opinion of the Deputy Commissioner of that district was called for. The
Deputy Commissioner, Shimoga District has reported, among other matters,
that he has, in the first instance, sanctioned an extent of 2 acres of
land in S. No. 2, free of price, to the applicant, for building a Gurukula

Pathasala, imposing assessment at Rs 2 per acre. The Deputy Commis
 adds that the question of grant of 150 acres of land in the Survey No.
 no selected by the applicant, may be, sympathetically, considered, after
 he has shown his earnestness, and if his scheme shows promise of fulfilment.
 In these circumstances, I request that approval of Government may, kindly,
 be obtained to the action taken by the Deputy Commissioner, in having now
 sanctioned an extent of 2 acres of land in the Survey No., free of price,
 to the applicant, Mr. Parameswara Ganesh Jashi, subject to payment of ass-
 essment at Rs 2 per acre, for building a Gurukula Pathasala.

I have the honor to be,

Sir,

Your most obedient servant

M. J. K. D. W.

Muzrai Commissioner.

(1) From a perusal of the D.C.'s letter and the records
 enclosed, it will be seen that the darkhastdar
 Mr. Parameswara Ganesh Jashi is a resident
 of Siddhapur Tq. in British Province (Bombay
 Presidency) and that he has approached His
 Holiness for grant of 300 acres of land out of
 S. No. 329 of the village in Sorat Tq.
 for the construction of a Gurukula Pathasala
 and maintenance of the same.

(2) It is stated that His Holiness of Sri Singero
 has considered that the project is feasible
 and has sanctioned the same.

(3) In the circumstances, explained in paras 5 & 7
 of the D.C.'s letter and para 1 of the P.O.,
 the Govt. has sanctioned 2 acres of land free of price for the construction
 of a Gurukula Pathasala subject to the
 payment of an assessment at Rs 2 per acre
 and requests approval to the action taken
 by the D.C. Shimoga.

GOVERNMENT OF MYSORE

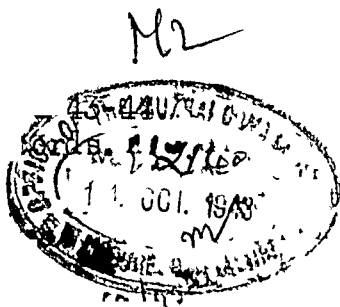

OFFICE OF

The Deputy Commissioner.

Shimoga District.

S h i m o g a.

Date 7th October 1943.

The Muzrai Commissioner in Mysore,

B a n g a l o r e .

Sir,

Subject:- Grant of lands in S.No.329 of Andavalli Village, Sorab Taluk for the construction of a Gurukula Patasala and its -
maintenance.

With reference to your letter No.M2.259/43-44 dated 12-7-1943 requesting my opinion on the above proposal of the Deputy Commissioner, Kadur District, I have the honour to state as follows:-

2. Andavalli Village in Sorab Taluk is an Inam Village endowed to Sri Sringeri Mutt. The applicant Parmeswara Ganesh Joshi, who is a resident of Thugalavalli Mutt of Siddapur Taluk in Bombay Presidency has represented to His Holiness of the Sri Sringeri Mutt on 27-5-1943 for the grant of 300 acres of land out of S.No.329 of Andavalli Village Sorab Taluk measuring 418 acres and 18 guntas on permanent lease - levying suitable assessment, for the construction of a Gurukula Patasala on some portion of the land and bringing the remaining extent under cultivation for the maintenance of the Patasala.

3. S.No.329 of Andavalli village is reported to be hulbanni - Kharab land measuring 418 acres and 15 guntas. The Gomal land available in the village is said to be far in excess of the requirements of the community. The villagers in their mahazar dated 14-6-1943 have stated that they have no objection for the disposal of the entire extent of the land applied for by the applicant, provided a passage is left to go to the lands which are under cultivation and which were granted out of this S.No-329 and provided also that a passage is allowed for the cattle of Badadbylu village, majre of Andavalli to reach Varada River for drinking purposes. The darkhasdar has in his statement recorded on 14-7-1943 that he is prepared to leave sufficient space for the pathways as required by the villagers. Excluding all these reservations, the darkhasdar has now finally selected an extent of roughly 150 acres as shown in the sketch available in the records.

4. His Holiness of the Sri Mutt considers that the prayer of the applicant deserves to be sanctioned as the object of construction of Patasala is a noble one deserving of support and encouragement by the Sri Mutt. Further it is stated that the income of the village is also to improve by the grant.

5. The Sub Division Officer has inspected the darkhasd land in company with the Amildar and some of the villagers on 10-9-1943. He has stated that the land is situated between the Varada River and Sorab Siddapur road and is well suited for the construction of a Gurukula - Patasala. The land is said to contain no valuable trees fit for timber but only ~~shrub~~ jungle ~~or~~ shrubs and that the land is fit only for dry cultivation. It is also stated that the Sri Mutt is not also deriving any benefit out of these lands at present. The prevailing rate of dry assessment in the village is said to be annas eight per acre. The grant ~~of this~~

of this land for the purpose brings an income of Rs.75/- per year to the Sri Mutt.

6. In view of the fact that the land is required for fulfilling a noble object, the Sub Division Officer recommends that an extent of about 150 acres now selected may be granted to the applicant free of price imposing full assessment. He further suggests certain conditions for being imposed while granting the land for the purpose. - While recommending the grant, the Sub Division Officer has further stated that no information is available locally regarding the status antecedents of the applicant or his resources and fitness for running a Gurukula Patasala and that he is a resident of Siddapur Taluk in British Province.

7. I am not quite sure of the financial stability of the applicant. The grant of the extent of land applied for would, I think, merely swell the demand side of the rent roll and swell the work of the Amildar, if the collection becomes difficult. I have therefore sanctioned an extent of 2 acres to the applicant in the first instance free of price, imposing assessment at Rs.2/- per acre for building a Gurukula Patasala. The question of grant of 150 acres may be considered sympathetically after he has shown his earnestness and if his ~~scheme~~ scheme shows promise of fulfilment. My action in this respect may be kindly approved.

8. The entire records ending with Sagar Sub Division Officer's report No.R2.P.L.27/43-44 dated 12-9-1943 are herewith enclosed for kind reference and return.

I have the honour to be,
Sir,
Your most obedient servant,
